

## League Board Positions and Responsibilities

Each of WGA's five leagues has a President, Secretary, and Treasurer, as well as Membership, Tournament, Handicap, Scheduling, and Social Directors. Some leagues have combined the responsibilities of more than one director into a single position.

  - Requests a calendar of events from the Tournament Director.
- Surveys members to determine availability to play each week.

  - Pairing designated mentors with new members for the first 2-3 weeks of play
  - The type of scheduled event for each week (individual or team event)
  - Tournament play (Match Play or Low Net)
  - Scheduled Board meeting requires that Board members tee off first
- Addresses members' requests for specific tee times when possible and appropriate, while allowing a variety of tee times for all members.
- Sends the final tee time sheet each week to the membership and the WGC staff.

- Click [HERE](#) for detailed instructions to execute these tasks.

**What follows presents the steps to be followed in fulfilling the responsibilities of the Tournament and Handicap Directors.** Some leagues maintain two separate positions for the purpose of carrying out these tasks; others combine the two jobs into a single position. Because the two jobs are so intertwined, the members in them should work together closely to ensure that they are both working from the same data set and to clarify the division of responsibilities.
